We, the Clairvoyant staff of St. Clair High School, wish to make this dedication to Mr. Frank L. Bohs.

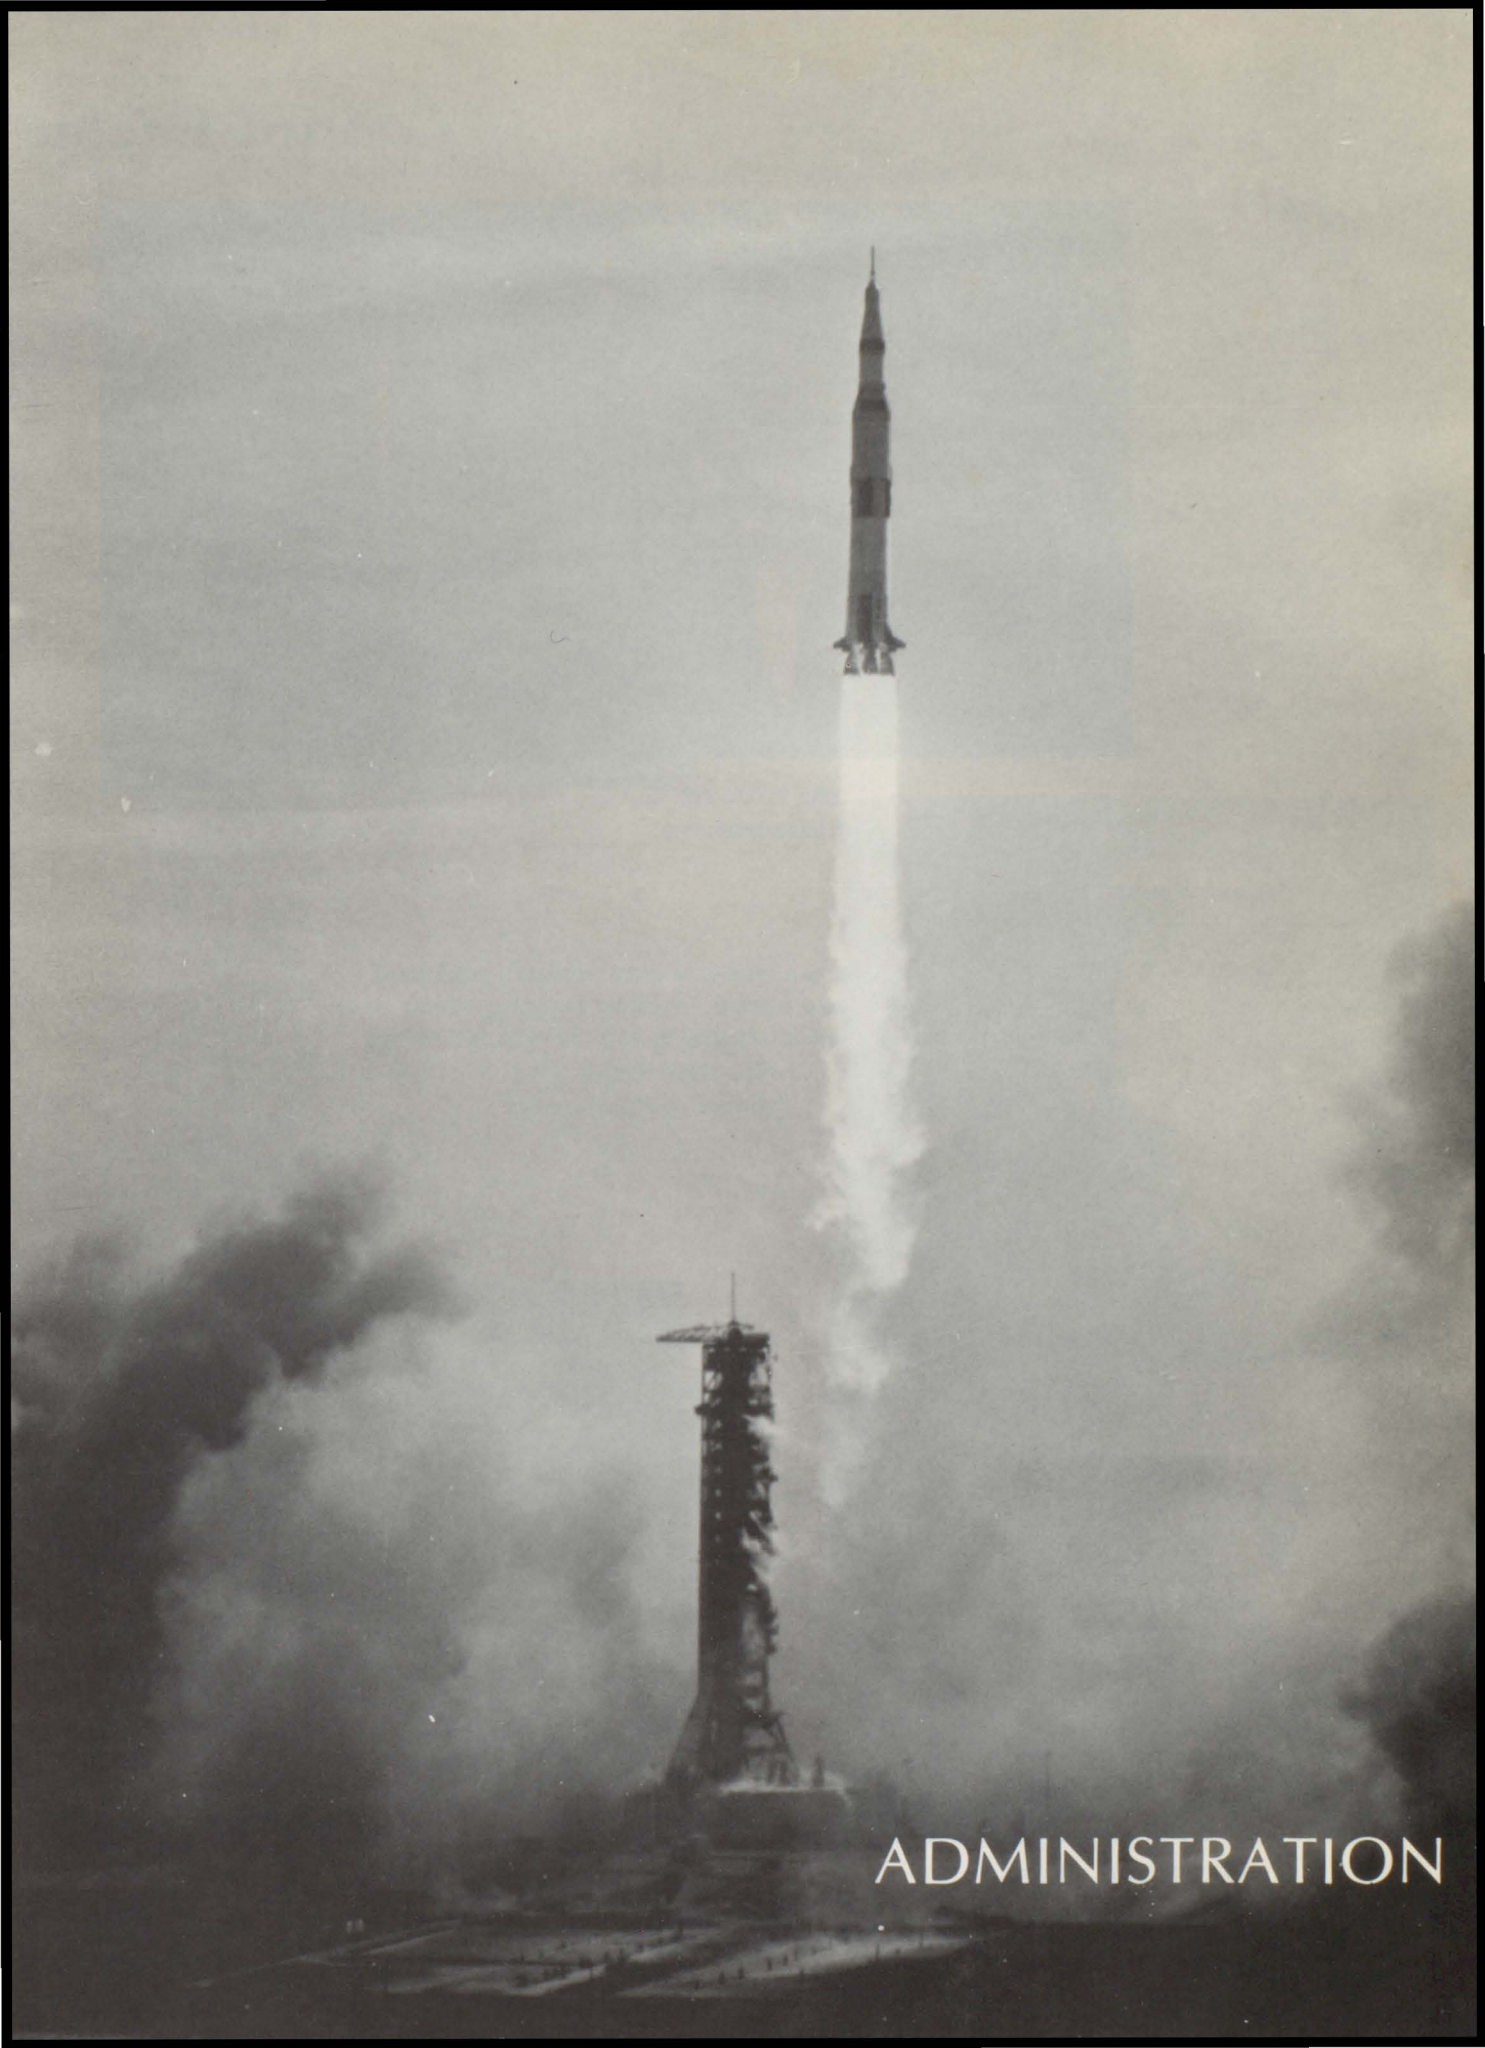

Mr. Bohs, who was born in Elkhart, Indiana on January 9, 1921, moved to Michigan a year later where he was raised in Blissfield. In 1948 he graduated from Western Michigan University and came to St. Clair to teach.

He has done all kinds of work from a stockboy in a grocery store to a factory worker. His present job is here at St. Clair High as an English and Driver's Education teacher.

Besides these, Mr. Bohs has taught World History, Junior high history, and eighth grade science. He also served as a coach for basketball, football, and track.

Mr. Bohs is presently married to Sally Multon, who is a secretary for St. Clair Intermediate School. He has two daughters, Julie and Debbie, and a dog named Duffy.

We would like to thank Mr. Bohs for his many years of service here at St. Clair High School by dedicating this year's Clairvoyant to him.

MAJORETTE CORPS - Jacque Buell, Captain - Lori Everitt, Shelly Fountain.

The St. Clair High School Majorettes Corps took a new look this year with the purchase of their new uniforms. The corps participated in all of the marching activities with the band and also performed by themselves during a basketball half time.

Activities they performed in are: the "Good Old Days," Homecoming, Little League, and Memorial Day parades, the 21st annual "Band Day" in Ann Arbor at the U. of M. and made that final touch at all of the football games.

The girls worked many long hours to develop their routines. They are a dedicated bunch of girls who are an asset to our school.

It's headed up by Pam Diem, treasurer; Bob Currier, secretary; Tim Charron, vice-president; and Pat Kallman, president. Mr. VanDeusen is our faculty advisor. Boots and Saddles Riding Club currently has an enrolled membership of eleven. We ride every Sunday at Pine River Stables. Not all of us are what you'd rightly call expert horsemen - but we sure do have fun!

Debate Meet-S.C.H.S. January 6, 1970

DEBATE SEASON DRAWS TO A CLOSE

On Tuesday afternoon, the Blue Water Area Debate League met at St. Clair High School for the final round of the season. The topic for debate this year was Resolved: "that Congress should prohibit unilateral, United States Military Intervention in foreign countries."

At a gathering in one of the school's lecture rooms, Mr. Charles Lutz and Mr. Richard Hill presented awards to the Top Speakers of each team and the 1st, 2nd, and 3rd place teams. The honor of 1st place for the third consecutive year went to Romeo High School. Their teams were feared by the rest of the League this year, as they came away with a perfect record of 22 wins and no losses. The second place team didn't have far to walk to put the trophy in their showcase, as the presentation was held in their own school. The St. Clair squad finished strongly, with an 18 and 4 record. The 3rd place trophy went to a very deserving Richmond team, which finished with a 17 and 5 record.

In a debate round, each speaker can receive a maximum of 30 points. Awards were presented to the individual on each team who was the best speaker throughout the season, on the basis of point averages. Twelve people received awards. Their names, point averages, and schools are: Donna Campbell, 28, Romeo; Diane Dubravetz, 24, St. Clair; Robert Enright, 24, Richmond; Randy Norton, 20, Yale; Judy Keener, 19, Marysville; Kathy Calabro, 20, Port Huron Northern; Ken Bernardo, 20, Cros-Lex; Sharon Rosswarm, 19, Port Huron; Cliff Ditchfield, 18, Marine City; Kathy Groskey, 21, Anchor Bay; and Cindy Laine, 15, Imlay City. There was a tie on the Almont team, so Linda Shull and Lethi Wilson share the honor, both with a 17 point average.

Well ... they are off and talking!

You'll rue the day you dropped Anchor in this school.

The Romeo girls were just "too much!"

Future Homemakers of America

The Future Homemakers of America is an organization open to any girl who has had one year of homemaking.

This year's activities included: Christmas caroling at Faith Medical Care Center, River District Hospital and Palmer Park Manor. We also made tray favors for the hospital for Lincoln and Washington's birthdays. An after-the-game dance was sponsored by the F.H.A. and we also sold stationery this year.

SEATED: Nancy Westrick, President, Debbie Cleland, Vice-President, Helen Speck, Secretary and Pat Browning, Treasurer.
BACK: Mrs. Paajanen, Advisor, Barb Von Oeyen, Charlotte Burgett, Debbie Weier, Mary Irish, Carol Orzechowski, and Mrs. Thompson, Advisor.

Student Council

OFFICERS, SEATED: Bruce Harris, President. STANDING, L TO R: Pat Bengtson, Secretary; Elaine Thompson, Treasurer; and Nancy Buczkowski, Vice President.

The main purpose of St. Clair High School's Student Council is to provide for student expression in matters concerning the general welfare of the students and school. Each homeroom has one regular representative and one alternate in the Student Council.

The Student Council undertakes projects each year. The main project for the 1969-1970 year was securing financial assistance for the school's Wrestling Team. The Council also sends a student to Boys' State and Girls' State, and has been represented in the St. Clair Area League Association of Student Councils.

The Paper

Due to the fact that many people worked hard (and we also had a little extra money) The Paper took on a new form. The Paper graduated from the "run-it-off-and-staple-it-together" method to the more sophisticated "tape-it-together-and-send-it-to-Thorpe's" method.

Those Paper staff members who contributed much time and effort to make a student publication possible are: Katie Maloney (Expediter-first-class), Pat Kennedy (famous for her humorous interpretations of the holidays), Paul Heydens and Jill Downey (Music Editors), Don Barnum (Sports Editor), Joe Maloney (Sports Staff), Jon Petoskey and Lynn McQueary (Feature Writers), Mr. Mallwitz (Scapegoat), and all the "Roving Reporters" (who are usually impossible to find). Since our list of credits would go on forever, it will end with The Creator who made the whole thing possible.

FRONT: J. Maloney, K. Maloney, B. Barnum. STANDING: D. Huffmaster, P. Coleman, J. Beaulac, L. Wisniewski, J. Downey, J. Rourke.

Wrestling is a new sport here this year. It has been growing in popularity in this part of Michigan and will be a league sport next year. There is much new information, though, needed by a spectator to better enjoy the sport.

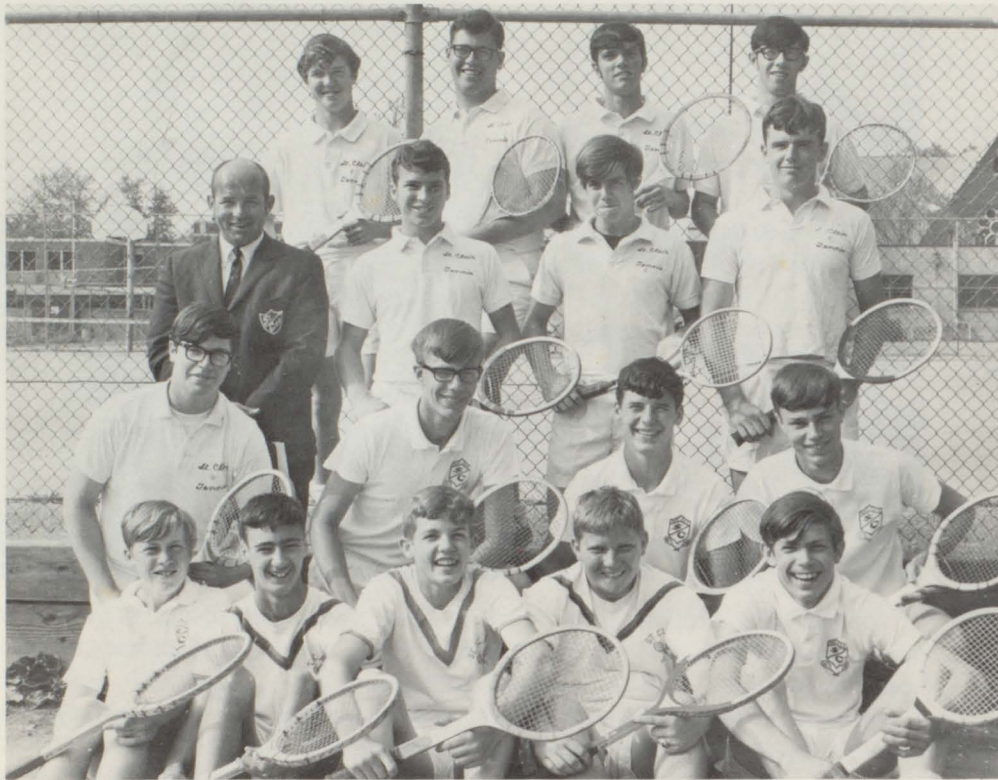

The contestants are awarded points in accordance with the following point system: Takedown (2 points), Escape (1 point), Reversal (2 points), Near Fall (3 points), Predicament (2 points), Time Advantage (1 or 2 points), Illegal Holds, Stalling and Other Penalties generally result in a point or points being awarded to the opposing wrestler against whom they are committed.

Girls' Basketball

This is the fourth year that St. Clair High School has had a girls basketball team. Our advisor is Mrs. Albrecht. This year we are learning to play by the new experimental rules. These rules may be adopted by the United States for use in the olympics. Each team consists of five players who play the full length of the court. The rules of this game are very much like those for boys basketball.

The following girls are members of the team:

FRONT ROW: Pat Gallagher, Jenny Monchau, Mary Cronenworth, Carol Eisen, Pat Eisen, Janet Pliza. BACK ROW: Dottie Lane, Debbie Doktor, Janet McCartney, and Advisor Mrs. Albrecht.
